What is your favorite song in Kagerou Project?

>> It's "Shinigami Record". There's no need to comment on the lyrics and hook, but I particularly like the intro♪ ponponponponpororon♪ pon pororon♪like that! The intro of "Kisaragi Attention" is also great★ I was clapping along with it!

When you think of summer vacation, what memories come to mind?

>> I camped in a mountain hut every year during middle school and high school for my club activities. I spent five nights and six days in the so-called campsite that was more like the wilderness. I.e.: We got our drinking water from a spring, gathered firewood, built a toilet and climbed down the mountain to the hot springs.

If you were to spend your vacation with one character from "Kagerou Project", who would it be and where would you go?

>> I want to go to the live performance of Super Idol★ Kisaragi Momo!! I want to clap in the intro of "Kisaragi Attention" and in the hook, sing along at "komacchau yo~♪" and "medacchau na~♪". And then I'll be waving an orange glowstick!

Your goal for this summer!

>> I couldn't go last winter, so I definitely want to go to WonFes (A comiket-like event for figurines, Wonder Festival) this summer. I'm looking forward to the newly produced figurines.

Congratulations for the release of the anthology

I HAVE NEVER EVEN THOUGHT THAT THE DAY I WOULD BE ALLOWED TO PARTICIPATE IN KAGEPRO WOULD COME. I WOULD BE VERY HAPPY IF MY WORK WAS ENJOYABLE.
